A Brick was donated to the Fort Hood
Fisher House in your name.

**BUILDING
FOR
OUR FUTURE**

**Band Of
Angels**

Fort Hood, Texas

Carl R. Darnall Army Medical Center

**One Brick At
A Time**

The Band of Angels is a non-profit organization that raises funds and provides volunteers to conduct programs and activities for Fisher House occupants. The group also provides assistance to Fort Hood soldiers and their family members undergoing medical treatment within a 200 mile radius of Fort Hood who are experiencing financial difficulties directly related to their medical treatment.

History of Fisher House

The Fort Hood Fisher House provides a "home away from home" for military personnel and their families during a medical crisis. The house provides a warm, compassionate environment where families and caring friends can nurture one another in times of need. The purpose of the Fisher House is to give families a clean, safe, low-cost respite from the stress of worrying about loved ones.

The house was given as a gift to Fort Hood and Carl R. Darnall Army Medical Center by Zachary and Elizabeth Fisher. It is built on government land and is maintained by Carl R. Darnall Army Medical Center. The Fisher House is located on the corner of Santa Fe Drive and Wratten Drive, in the south parking lot of Carl R. Darnall Army Medical Center.

Brick Pathway

The Band of Angels sponsors the "Terrace of Fame" a fundraiser that allows the organization to build for its future and to improve the outdoor facilities of the Fisher House. A commemorative brick terrace has been constructed outside the back door of the Fisher House near the gazebo.

For a \$40 donation to the Band of Angels, donors will be able to choose the inscription on a paving brick. This is an excellent opportunity to commemorate a loved one or dedicate a brick for a special occasion while supporting a valuable volunteer organization.

Become part of the Fisher House legacy today!
